After the initial period, the variable interest rate and payment will adjust every year and equal the total of the 1 Year Treasury Bill CMT plus 3% Margin. The maximum periodic change in the interest rate is 2% with a maximum rate increase of 6% above the initial interest rate and the interest rate floor at 4%. There is no prepayment penalty. The Annual Percentage Rate (APR) is variable and is subject to increase or decrease, so your payments may increase or decrease each year after the initial period. The actual interest rate, APR and payment may vary based on the specific terms of the loan selected, verification of information, your credit history, the location and type of property, and other factors as determined by The Community Bank. Rates are subject to change daily without notice. Various loan terms available. Rates effective 1/23/2025. Contact The Community Bank to learn more about your eligibility for its mortgage products-NMLS 403255.
